## **Local Brewery and Winery Announce New Location**

SIOUX FALLS, S.D. – After closing their doors April 28, 2018 in downtown Sioux Falls, Prairie Berry East Bank announces they will re-open July 2018 in The Western Mall.

“The Western Mall has a long history with the city of Sioux Falls and we are excited to be a part of its revitalization and continued growth in the center of the city.

Owners Sandi Vojta and Matt Keck have always had a strong commitment to making use of what is available and the opportunity to use existing real estate in Sioux Falls was very important.” - Angela Avila, Director of Sales and Marketing

The new location, which will be renamed, will feature Miner Brewing Company beer and Prairie Berry Winery wine along with a limited production space. They will also continue hosting their popular event Craft Beer & Bingo monthly.

### **ABOUT PRAIRIE BERRY WINERY & MINER BREWING COMPANY**

*Prairie Berry Winery and Miner Brewing Company are co-owned and co-operated by fifth generation Winemaker and Brewmaster Sandi Vojta. After immigrating to Dakota Territory in 1876 from the Czech Republic, Sandi's great-great-grandmother, Anna Pesä, combined her traditional European winemaking style with the local prairie berries to produce wine for her family. Today, Sandi continues the tradition and pays homage to her heritage by infusing local and seasonal ingredients into her wines and craft beers.*

*Prairie Berry Winery and Miner Brewing Company are located next door to each other in the Black Hills of South Dakota near Mount Rushmore on Highway 385.*
